## **MASER CONSULTING P.A. HAS BEEN NAMED ONE OF THE BEST PLACES TO WORK IN NEW JERSEY**

**Red Bank, New Jersey – (April 01, 2011)** Maser Consulting P.A. is pleased to announce that they have been named one of the Best Places to Work in New Jersey. The NJ Biz Best Places to Work in New Jersey program identifies, recognizes, and honors the top places of employment in New Jersey that benefit the state's economy, its workforce and businesses. All companies are split into two groups based on the number of employees: small/medium-sized companies (15-249 employees) and large-sized companies (more than 250 employees).

Companies from across the state entered the two-part process to compete for the honor of being named one of the Best Places to Work in New Jersey. The first part of the process consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics, which accounted for approximately 25% of the total evaluation. The second part consisted of an anonymous employee survey, which was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final ranking. The 70 Best Places to Work will be announced by ranking during an awards dinner and ceremony on Tuesday, April 26, 2011 at the Hilton East Brunswick.
