MASER CONSULTING P.A. ACQUIRES EASTERN GEOSCIENCES, INC.

Red Bank, New Jersey – (June 01, 2011) Maser Consulting P.A. is pleased to announce the acquisition of Eastern Geosciences Inc. (EGI). EGI specializes in Hydrogeological and Geophysical services and will be joining Maser Consulting's Environmental Group. EGI brings a level of experience that will complement and enhance Maser Consulting's core Environmental and Hydrogeologic services. Through this acquisition, Maser Consulting's Environmental Division now offers additional geologic services including geothermal and geophysical consulting for residential, commercial, municipal, and industrial clients.

Thomas Dwyer, PG, former president of EGI, is now a Principal Associate and Shareholder of the Firm and is responsible for all hydrogeologic consulting for water supply, dewatering, wastewater disposal, geothermal and geophysical services for Maser Consulting. Mr. Dwyer's 25 years of experience in these areas further strengthens the broad range of services that Maser Consulting offers its clients.

About Maser Consulting P.A.

Maser Consulting is known and respected as a multi-disciplined engineering firm with a unique balance of public and private sector experience. The award winning firm employs an average of 260 professionals through a network of nine regional offices and has been serving the Northeast Region since 1984.
