

## *LOUIS A. RAIMONDI EARNS PRESTIGIOUS AWARD*

**Red Bank, NJ – June 18, 2009** – Maser Consulting P.A., one of New Jersey, New York and Pennsylvania's leading engineering firms, announces that Louis A. Raimondi, P.E., L.S., P.P. of the West Nyack office, received the National Council of Examiners for Engineering and Surveying (NCEES) Distinguished Service Award. Mr. Raimondi will be honored with this award at an awards luncheon during the NCEES Annual Meeting in Louisville, Kentucky on August 15, 2009.

Mr. Raimondi has served as President of NCEES from 2006 to 2007. Before this appointment, Mr. Raimondi served for two years as Vice President of the Northeast Zone of NCEES. NCEES is a national, non-profit organization composed of engineering and surveying licensing boards representing all U.S. states and territories. Additionally, Mr. Raimondi was selected as a distinguished Alumnus by the Board of Trustees of the Alumni Association of the New Jersey Institute of Technology for his professional leadership roles with the NCEES and the New Jersey State Board of Professional Engineers and Land Surveyors. He is currently a Professional Member of the NJ State Board and was appointed in 1987 and served until 1991. In 1994 he was appointed as a Land Surveyor member and served as President in 1998-1999.

Mr. Raimondi is a licensed Professional Engineer, Land Surveyor and Professional Planner. Before joining Maser Consulting P.A., Mr. Raimondi was founder and President of Raimondi Associates in Westwood, New Jersey and Monroe, New York from 1968 to 1998 when a merger was formed to create the firm of Azzolina, Feury and Raimondi Engineering Group, Inc. at the same locations. Mr. Raimondi earned a B.S. and M.S. in Civil Engineering from New Jersey Institute of Technology. He is a resident Mahwah, New Jersey.

Based in Red Bank, Maser Consulting P.A. has nine offices throughout New Jersey, New York and Pennsylvania serving both the private and public sector. The firm provides a wide range of services for public works, environmental management, geotechnical engineering, structural engineering, highway and bridge design, traffic and transportation engineering, site development, surveying, landscape architecture and construction administration.
