## CORPORATE CULTURE

Maser Consulting is a privately owned, multi-discipline engineering firm with a unique balance of public and private sector experience. Headquartered in Red Bank, NJ, the firm has offices nationwide and has consistently been recognized by Engineering News Record as one of its Top 500 Design Firms.

The camaraderie among our employees and our family-friendly culture, are qualities that set us apart and contribute to our outstanding history of retention. On par with this, Maser Consulting hosts year round activities including a formal Holiday Party, Charitable Fridays, Softball League, Tough Mudder competition and Boat Cruise around Manhattan.

Maser Consulting provides its employees with ample paid time off and the flexibility they need to maintain a healthy work/life balance.

- Generous Time Off
- Extended Sick Leave
- Eight Paid Holidays

## CULTURE STATEMENT

Our ability to maintain a family atmosphere is nurtured through the promotion of integrity, collaboration and socialization. Our employees are engaged in their work, comfortable in their environment. Continuous learning and personal and professional development allow our employees to adapt and excel in an evolving marketplace.

## CAREER DEVELOPMENT

As we continue to grow, it is our goal to educate and promote from within. We are focused on providing our employees with the resources and opportunities they need to succeed. Below is a brief description of some of our career development programs:

### PATH TO OWNERSHIP

Our employees have opportunities to be promoted into a structured path to ownership in the firm. In addition to enhanced benefit packages and stock options, employees at varying levels have unique opportunities to engage in strategic initiatives and take-on leadership roles throughout the organization.

### MENTORSHIP COMMUNITY

Our Mentorship Program provides employees with an avenue to build relationships companywide. This program enables our employees to establish, and meet career goals, as well as share information, experiences and ideas with a trusted Mentor.

## EDUCATION & TRAINING

### EDUCATIONAL ASSISTANCE

Maser Consulting offers an educational assistance program to further employees' education in any field related to the operations or services of the firm.

### TRAINING & DEVELOPMENT

Our state-of-the-art training facility, located in our Red Bank, NJ office, facilitates an interactive environment for formal classroom training. Dedicated training and development staff work continuously to create and deliver quality training to all employees.

### MASER UNIVERSITY

Comprised of over 1,500 online courses accredited by more than 60 state and national organizations, Maser University provides employees with convenient learning and license recertification opportunities.

### INTERNSHIP PROGRAM

Maser Consulting employs students from Colleges and Universities all over the world. Interns are paid to work on real projects alongside professionals in their field, applying what they have learned in the classroom.
